Testing dates are subject to change and are scheduled by appointment only. No walk-ins are accepted. Please call the Career Center Counseling and Assessment at 447-6983 to schedule your assessment date and time. Schedule your assessments early as possible. There is limited space available for testing and students are scheduled on a first-come first-serve basis. Students must be prompt to the testing session. No students will be admitted to the testing lab once the testing session has begun.

Pre-admission tests are administered in the Career Center Counseling and Assessment lab located in Information Commons East, Room 116. There is a \$10.00 assessment fee, which must be paid at the Cashier's office, Information Commons Building – second floor, prior to your arrival. Please bring your receipt for the assessment fee and a photo ID to the Career Center Counseling & Assessment office the day of your assessment. The preadmission testing will consist of two different assessments:

1. Bennett Mechanical Comprehension Test : a mechanical reasoning test - assesses understanding of mechanical concepts
2. Wonderlic Scholastic Level Exam : a cognitive abilities test - assesses problem-solving skills

The assessment process takes approximately one hour to complete. The results will be mailed and should be received within 7 days following the assessments. If results are not received within 7 days, please call the Career Center Counseling and Assessment staff at 447-6983.

Any applicant not receiving the minimum score determined by each Allied Health program will have an opportunity to retake the Bennett Mechanical Comprehension Test or the Wonderlic Scholastic Level Exam. An appointment must be scheduled with the Career Center Counseling and Assessment staff at 447-6983 to retake the assessment. Appointments are made at the discretion of the Career Center Counseling and Assessment staff.

**Please note:** Applicants may take any of the individual tests no more than twice in twelve consecutive months if test results are not at the minimum score range determined by each Allied Health program. Applicants cannot retest if results were in the acceptable score range. Applicants cannot retake the Wonderlic Scholastic Level Exam or Bennett Mechanical Comprehension Test within the same day of the original assessment. To retake the assessment an appointment must be scheduled and an additional fee of \$10 must be paid in advance. The receipt must be presented along with a picture form of identification.

All tests must be completed by application deadline unless otherwise noted by the specific program in the Allied Health department. Please contact the specific program for more information.
