

Final Exam Schedule, Fall 2010

December 13-18

It is the policy of the Board of Trustees of Ozarks Technical Community College that **ALL** courses will include a comprehensive final exam unless prior approval has been obtained from the Vice President of Academic and Student Affairs. Students should read the special notes below for classes which meet during non-standard times (i.e. eight-week blocks, late start, Saturday only, online classes.)

Students scheduled for more than three examinations on any one final exam day may contact their instructors for assistance in re-scheduling one or more exams during the make-up periods provided in the finals schedule for that purpose. If a student has a special hardship that would cause them to miss a final exam, she/he should contact the instructor to make arrangements for re-scheduling during one of the make-up periods.

NOTES:

- **Monday-Friday one day only classes:** See schedule on second page.
- **Saturday only and Friday/Saturday 16-week classes:** Finals for these classes will be held December 18th at their regularly scheduled class times.
- **Late Start classes:** Final exams for Late Start classes will be held Friday, December 10th during the regularly scheduled class period.
- **Eight-week block classes:** Both first and second eight-week block classes will utilize the last two hours of the regularly scheduled block for finals.
- **Online classes:** Proctored final exams for online courses will be administered beginning 12/09/2010 and ending 12/18/2010. For details check with your online instructor.
