UMUC is a constituent institution of the University System of Maryland, an agency of the State of Maryland.

b. OTCC offers two-year associate degree and certificate programs and is accredited by The Commission on Institutions of Higher Education of the North Central Association of Colleges and Schools.

c. The Institutions recognize the programs and courses offered by the other and desire to establish their understanding regarding the transfer and applicability of credits from one institution to the other. The Institutions further desire to allow simultaneous admission to OTCC and UMUC. To that end the Institutions enter into this Agreement.

Now therefore, the Institutions agree as follows:

a. The term of this Agreement shall commence as of August 23, 2010 (the “Effective Date”), and continue in effect for an initial period of one (1) year and shall automatically renew for successive one (1) year periods.

b. Either party may terminate this Agreement by providing the other ninety (90) days prior written notice. During the notice period the parties may discuss continuation of a formal relationship between them.

III. Dual Admission and Articulation

a. **Dual Admission.** The Institutions agree to allow simultaneous admission to OTCC and UMUC. UMUC will not promote transfer to UMUC before a student has completed 45 credit hours at OTCC and shall encourage students to continue to attain their associates degrees.

Students enrolled in the Dual Admission Program shall be subject to the laws, regulations, practices and policies in effect at the institution the respective student is attending. UMUC will waive the UMUC admission application fee if student completes the application prior to graduating from OTCC.

c. **Transfer of OTCC Credits to UMUC.** This Paragraph III (c) applies to OTCC degrees, programs and to credits other than those included in the Articulated Programs and credits for OTCC courses if OTCC has not awarded a degree. Evaluations may take slightly longer if courses from OTCC have not been evaluated by UMUC.

e. **Changes in Programs.** Notwithstanding anything in this Agreement to the

contrary, the Institutions retain the right and the authority to make changes in their respective courses, programs and credential requirements that they each may determine to be in their respective best interest. The parties shall give the other reasonable notice of changes in course program and credential requirements that may materially affect the student's status and acceptance of degrees or the transfer of credit as contemplated in this Agreement. Students who are already enrolled in the Dual Admission Program at the time of program or course changes will have the opportunity to choose whether they will follow the new or existing program.

The parties shall meet, at least annually, to review the changes in courses, programs and credential requirements for the purpose of determining whether or if this Agreement should be amended to reflect the courses, programs and credential requirements then in effect.
