

**Reading=
College
SUCCESS**

Do you...

...remember what you read?

...understand your textbooks?

...read for enjoyment?

If you said “No,” to any of the above,
then enroll in...

RDG 040

Reading Comprehension

**97 out of 100
students
recommend it!**

Students actively engage with a tutor in an individualized program that eliminates reading difficulties and makes reading easier and more enjoyable. Intensive tutoring using MP3 players will help students compel the brain to form more efficient reading pathways. Ultimately, this course seeks to give students the reading comprehension skills needed for college success AND to enhance every aspect of students' lives in their work and at home.
